

ROUND THE RIVIERA

Wheels of Progress Turning; Riviera May Get Library Soon

The wheels of progress towards the construction of Riviera's library are turning now. Following Council's okay of money for the needed facility, the Riviera Home Owners Assn. last week appointed a library committee, consisting of Mrs. Kenneth Watts, Bill Hanson and Leonard Freeland.

Association President Ben Russell charged the committee to survey the area for the best location for the library and to check other libraries for ideas and information leading to the best possible facility for the money.

In a letter to the City Manager, Russell asked if a part of El Retiro park was being considered for the small triangle in middle Riviera on Miramar and Delicias.

We earnestly suggest that not only the association but also our local PTA look over this new park next to the school. We believe it is the ideal location for a library since it is not only in central location but is so very accessible to our children attending Riviera school.

El Retiro Park is a pretty busy place without adding a library. Parking facilities are already at capacity most of the time without adding a facility as popular as a library. Moreover, it is not easily accessible or adjacent to any school of size in Riviera.

The triangle in middle Riviera is too small a lot hardly to consider; especially since the county's minimum requirement for a library is 3000 square feet.

On the other hand, next to Riviera School property and quite accessible to the hundreds of children attending there, sits a completely undeveloped park property. The ground is about level which should hold construction costs to a minimum.

It is in a fairly central location to the population. It is apparently an ideal location. We urge those in the Home Owners Assn., the PTA, and other groups interested in our Riviera library to look it over.

Twenty Riviera couples enjoyed a gala evening of dancing, barbecue and swimming last week. The location was the Riviera Swim School pool and under the leadership of Mrs. William Hayes, a gay evening of summer fun prevailed. Present at the combination party were Messrs. and Mmes.

Manual P. Nestlerode, 905 Calle Miramar, died in his home on Monday, Aug. 5.

Funeral services were conducted Aug. 7 at Niland's Chapel by Rev. Dwaine Cerbin. Mr. Nestlerode, who was born in 1887, was retired from the building business.

Survivors include his daughter, Mrs. Lavada Weir and three grandchildren, Joan, Lucy and Tracy Weir; and three sisters who live in Missouri.

UP HILL AND DOWN DALE: More planning for their eighth annual barbecue at El Retiro park was made at the Sportsmen's regular meeting last week at American Legion hall. Big B-B-Q date is Sept. 22. . . Speaking of the Sportsmen, there's a move a-foot to create a women's auxiliary to the strictly male organization.

Sportsmen's wives may call Mrs. Ralph Weyant, FR 5-9480 for more info. . . Rivieran Murrie Cook, 219 Calle de Arboles, was promoted last week by Bank of America. He's now employment supervisor for the world's largest banking firm.

. . . Dot Booth, 348 Via Colusa, is vacationing in the east. She flew to St. Augustine, Fla., for a visit of several weeks. . . Mrs. Jim Jones, 237 Via Alameda, has returned home from a vacation trip to visit relatives in New York state. . . The E. W. Adams family, 223 Paseo de las Delicias, are vacationing in the Canadian Rockies. . . The Richard Ohlmans, 272 Via Linda Vista, are adding a swimming pool to their property. . . Ditto for the R. A. Spooners, of 329 Calle Miramar. . . The Al J. Loccos of the Riviera Village cleaning firm, are building their own home at 153 Vista del Parque. . . Those empty lots along the ocean side of Paseo de la Playa, so inviting as a parking lot for the swarms of cars visiting Torrance Beach, are all owned, totally or partially, by Los Angeles County. The dust and other irritants to nearby residents can only be solved with county action.

Born to Mr. and Mrs. Lewis J. Munich, 5313 Via del Valle, was a 9 lb. 2 oz. son whom they have named Keith John. The new son was born July 12 at Torrance Memorial hospital.

Riviera's first apartment on the Pacific Coast Hwy. is now under construction. John Heybrock, owner, broke ground for a four-unit apartment at 381 Paseo de Gracia, last week.
